**Agreement PRPs to Conduct Technical Studies at Yosemite Slough Superfund Removal Site in San Francisco, California**

On November 3, 2016, EPA Region 9 entered into an interim administrative order on consent with four potentially responsible public parties at the Yosemite Slough CERCLA removal site. Pursuant to the agreement, these companies will perform four technical design studies that will inform the design and implementation of the remedy at the site. Contact: Brianna Fairbanks, ORC, 415-972-3907.
